## School Locker Agreement

This Agreement, when executed by the Principal of \_\_\_\_\_  
School and \_\_\_\_\_ (student), constitutes a license granted by  
the school to the said student to use locker number \_\_\_\_\_ during the school year. The  
principal has the right to terminate this license for any reason that may be considered reasonable.

The granting of this license does not confer any property right or interest in the locker to the student, and the student acknowledges that the locker is subject to search at any time without notification to the student by any personnel associated with the school or by persons representing other authorities, including police authorities. If necessary in order to initiate such searches, such persons have full authority to remove any locks by any means required to gain access to the locker. It is the Pembina Hills Regional Division's Administrative Procedure 50-28 that lockers are the property of the School Division and may be searched at any time by school administration. The Principal may undertake a locker search if he/she has good and sufficient reason to suspect that unauthorized/illegal/stolen substances or items may be found in a locker. Principals must comply with the Criminal Code of Canada and *Youth Criminal Justice Act*.

It is understood and agreed that locker numbers may change every year. Agreement is in effect as long as student is enrolled in the school

By signing this Agreement to use the locker, the student agrees to be bound by all rules of the school and the school division respecting the use of lockers. The student acknowledges awareness of this notice by signing the form.
