

Technology Acceptable Use Agreement for Staff and Trustees

- I have read and understand the requirements of AP 80-05 Technology Acceptable Use and agree to comply with them.
- I realize that by not complying with these rules, my permission to use any computing equipment in the Division will be terminated, restricted, or suspended.
- I further realize that Information Technology Services has complete authority over who is admitted to the system and I agree to abide by their decisions regarding my conduct and the use of the system.
- I further agree to help ensure a safe computing environment for students and fellow staff members. I am aware that activity on Division equipment may be monitored by Information Technology Services Staff.
