

In the 2016-2017 school year Pembina Hills Public Schools will serve 3,872 students in 11 local community schools, 2 hutterite colony schools and 2 outreach centres. Pembina Hills also operates Vista Virtual School - a community school that serves a large and diverse student population in a distributed learning environment. Vista Virtual School is funded for approximately 665 full-time equivalent students but serves over 7,800 students over the course of the school year.

In addition, under a service agreement with Alberta Education, Pembina Hills is responsible for the operation of the Alberta Distance Learning Centre (ADLC). In 2015-2016, ADLC served almost 45,000 students in 59,834 course enrolments.
