

1. School Bus Rental

Community groups or individuals (adults or non-adults with chaperons) may rent school buses for sports events, recreation and other programs outside the school on the basis of availability and at a rate set annually by the Board. Requests are subject to the approval of the Director of Transportation and/or designate and must be made ten (10) days prior to expected date of departure.

2. Non-School - Testing Purposes

Buses may be used for license testing by regular, prospective regular, spare, and volunteer bus drivers under the supervision of the Director of Transportation or designate.

3. Transportation Services – Municipality Summer Recreation Programs for Students

3.1 Administration may provide buses to municipalities for purposes of delivering summer recreation programs for students. The fee for the lease shall be the cost of operating a school bus, including the share of capital costs as determined by the Board. This fee may be adjusted periodically to reflect current operating costs.

3.2 The Public or Non-School users must employ only Division approved drivers.
