

STUDENT ENROLMENT SEPTEMBER 30, 2018

In the 2018-2019 school year Pembina Hills Public Schools projects to serve 3,816 students in 11 local community schools, 2 hutterite colony schools and 2 outreach centres. PHPS also operates Vista Virtual School – an online school that served approx. 500 full-time and 10,000 part-time students in 2017-2018. Under a service agreement with Alberta Education, Pembina Hills is responsible for the operation of the Alberta Distance Learning Centre (ADLC). In 2017-2018, ADLC provided instruction for 28,000 course enrolments to students registered in schools across the province. In addition, ADLC provides Alberta schools access to distance education resources.
