*Vista Virtual School is part of Pembina Hills Public Schools. The number of work days are designated as per the collective agreement. Vista Virtual School teachers take their non-work days at different times throughout the school year. As a result of these variable schedules, Vista Virtual School is able to provide service to students all year long.

We encourage Elementary and Junior High students to study on a traditional school year, September through June. Our High School program is available year-round for full-time, part-time and adult students.
