

- Q.** What is the maximum submission size for Assignments and Forums?
- A.** 100 MBs, but your teacher can set a lower limit at his/her discretion. In the example below, the maximum submission size has been set to 5 MB.

What the teacher sees...

(Administration tab > Assignment Administration > Edit Settings > Submission types > Maximum submission size)

What the student sees when they are Adding a file...

(Table of Contents > Assignment name > Add/Edit Submission)

Note: If your file exceeds the maximum submission size, please follow this [best practices document](#) to learn how to compress your files.

Q. How often should I save my work?

A. There is no need to manually save your work. ADLC's LMS will auto-save for you at the frequencies listed below:

- **Assignments**
 - N/A, since Assignments are to be completed outside of the LMS and uploaded as a separate file.
- **Forums**
 - N/A, since Forums are to be completed outside of the LMS and uploaded as a separate file.
- **Quizzes**
 - Once every 5 minutes for single page quizzes. At every page turn for multiple page quizzes.
